

# Committee Opportunities

Applications for Grattan Township Committees are accepted throughout the year and positions are filled at the end of the year at the December Board Meeting.

We are encouraging township residents, who may be interested in serving the township on one of the committees to apply to a committee so that you can become involved in the process that helps establish the rules and address applications for requests by individuals of Grattan Township.

Many of our residents are concerned about how the decisions that are made by these committees may affect them. Involvement in township committees will give citizens an opportunity to express their view and offer their opinions.

We find it very effective if we can obtain applications from a diverse cross section of our citizens. This allows our committees to address applicants with a variety of view points from committee members of various interests.

It is very simple to apply:

1. Pick-up an application at Grattan Township Office
2. Access our web-site [www.grattantownship.org](http://www.grattantownship.org) go to Forms & Fees for the Committee Application
3. Give us a call and we can mail or fax the application form to you.

Please consider one of the following committees:

Planning Commission • Zoning Board of Appeals

Fire Administrative & Safety Committee • Safety Board of Appeals

Sewer Advisory Committee • Wetland Review Board

Farmland & Open Space Committee • Cable Committee • Board of Review  
Construction Board of Appeals

If you have any further questions about joining one of the Grattan Township Committees, please give us a call Mon—Thur 9:00 to 4:00 at 691-8450.

Thank you,  
Frank Force
